

| TITLE | SUBJECT |
|---|---|
| Extra-ordinary ergonomics [electronic resource] : how to accommodate small and big persons, the disabled and elderly, expectant mothers and children / Karl H.E. Kroemer. | Human engineering.;Engineering design.;Electronic books. lcsH |
| A framework for complex system development [electronic resource] / Paul B. Adamsen, II. | Systems engineering.;Industrial management.;Electronic books. lcsH |
| Accelerated life models [electronic resource] : modeling and statistical analysis / Vilijandas Bagdonavicius, Mikhail Nikulin. | Accelerated life testing -- Mathematical models.;Accelerated life testing -- Statistical methods.;Electronic books. lcsH |
| Acceptance sampling in quality control [electronic resource] / Edward G. Schilling, Dean V. Neubauer. | Acceptance sampling.;Electronic books. lcsH |
| Adhesion measurement methods [electronic resource] : theory and practice / Robert Lacombe. | Adhesion -- Measurement.;Adhesion -- Testing.;Electronic books. lcsH |
| Advanced manufacturing [electronic resource] : an ICT and systems perspective / editors, Marco Taisch, Klaus-Dieter Thoben, Marco Montorio. | Manufacturing processes.;Electronic books. lcsH |
| Advanced quality function deployment [electronic resource] / Fiorenzo Franceschini. | Quality control.;Production management -- Quality control.;Electronic books. lcsH |
| Advances in human factors and ergonomics in healthcare [electronic resource] / editor, Vincent G. Duffy. | Medical errors -- Prevention.;Patients -- Safety measures.;Medical care -- Safety measures.;Health facilities -- Safety measures.;Human engineering.;Electronic books. lcsH |
| Advances in occupational, social, and organizational ergonomics [electronic resource] / editors, Peter Vink, Jussi Kantola. | Human engineering.;Industrial safety.;Industrial engineering.;Work design.;Electronic books. lcsH |

| | |
|---|--|
| <p>Agent-based manufacturing and control systems [electronic resource] : new agile manufacturing solutions for achieving peak performance / Massimo Paolucci, Roberto Sacile.</p> | <p>Computer integrated manufacturing systems.;Expert systems (Computer science).;Manufacturing processes -- Automation.;Production control -- Data processing.;Electronic books. lcs</p> |
| <p>Air logic control for automated systems [electronic resource] / Rudy Wojtecki.</p> | <p>Pneumatic control.;Logic circuits.;Electronic books. lcs</p> |
| <p>#VALUE!</p> | <p>Mining engineering -- Data processing -- Congresses.;Operations research -- Congresses.;Electronic books. lcs</p> |
| <p>Architecture and principles of systems engineering [electronic resource] / Charles Dickerson, Dimitri N. Mavris.</p> | <p>Systems engineering.;Computer architecture.;Electronic books. lcs</p> |
| <p>Assembly automation and product design [electronic resource] / Geoffrey Boothroyd.</p> | <p>Assembly-line methods -- Automation.;Assembling machines.;Electronic books. lcs</p> |
| <p>Asset management excellence [electronic resource] : optimizing equipment life-cycle decisions / editors, John D. Campbell, Andrew K. S. Jardine, Joel McGlynn.</p> | <p>Production engineering.;Product life cycle.;Production management.;Electronic books. lcs</p> |
| <p>Back and bed [electronic resource] : ergonomic aspects of sleeping / Bart Haex.</p> | <p>Sleep.;Beds.;Human engineering.;Electronic books. lcs</p> |
| <p>Back to basics [electronic resource] : your guide to manufacturing excellence / Steven A. Melnyk and R.T. Chris Christensen.</p> | <p>Production management.;Quality control.;Inventory control.;Electronic books. lcs</p> |
| <p>Bayesian process monitoring, control and optimization [electronic resource] / edited by Bianca M. Colosimo and Enrique del Castillo.</p> | <p>Process control -- Statistical methods.;Bayesian statistical decision theory.;Electronic books. lcs</p> |
| <p>Boilers for power and process [electronic resource] / Kumar</p> | <p>Boilers -- Handbooks, manuals, etc.;Electronic books. lcs</p> |

| | |
|---|--|
| Rayaprolu. | |
| Business process orientation [electronic resource] : gaining the e-business competitive advantage / Kevin P. McCormack, William C. Johnson. | Industrial management -- Data processing.;Management information systems.;Business enterprises -- Automation.;Manufacturing processes -- Automation.;Marketing -- Management -- Data processing.;Electronic books. lcs |
| Chemical process performance evaluation [electronic resource] / Ali Cinar, Ahmet Palazoglu, Ferhan Kayihan. | Chemical process control -- Statistical methods.;Chemical industry -- Quality control -- Statistical methods.;Electronic books. lcs |
| Coated textiles [electronic resource] : principles and applications / Ashish Kumar Sen. | Coated fabrics.;Electronic books. lcs |
| Comfort and design [electronic resource] : principles and good practice / Peter Vink. | Human engineering.;Electronic books. lcs |
| Commercializing micro-nanotechnology products [electronic resource] / edited by David Tolfree and Mark J. Jackson. | Nanotechnology.;Microtechnology.;Nanotechnology -- Economic aspects.;Microtechnology -- Economic aspects.;Electronic books. lcs |
| Composite materials technology [electronic resource] : neural network applications / edited by S.M. Sapuan and I.M. Mujtaba. | Composite materials -- Testing -- Data processing.;Manufacturing processes -- Data processing.;Neural networks (Computer science);Electronic books. lcs |
| Composites manufacturing [electronic resource] : materials, product, and process engineering / Sanjay K. Mazumdar. | Composite materials.;Electronic books. lcs |
| Computational economic analysis for engineering and industry [electronic resource] / Adedeji B. Badiru, Olufemi | Engineering economy.;Electronic books. lcs |

| | |
|---|---|
| A. Omitaomu. | |
| Computational intelligence in manufacturing handbook [electronic resource] / edited by Jun Wang and Andrew Kusiak. | Production management -- Data processing.;Computational intelligence -- Industrial applications.;Manufacturing processes -- Automation.;Electronic books. lcs |
| Computational inverse techniques in nondestructive evaluation [electronic resource] / G.R. Liu, X. Han. | Nondestructive testing -- Mathematics.;Electronic books. lcs |
| Computer aided design, engineering, and manufacturing [electronic resource] : systems techniques and applications / editor, Cornelius Leondes. | CAD/CAM systems.;Electronic books. lcs |
| Computer aided design, engineering, and manufacturing [electronic resource] : systems techniques and applications / editor, Cornelius Leondes. | CAD/CAM systems.;Electronic books. lcs |
| Computer aided design, engineering, and manufacturing [electronic resource] : systems techniques and applications / editor, Cornelius Leondes. | CAD/CAM systems.;Electronic books. lcs |
| Computer-integrated manufacturing [electronic resource] / editor, Cornelius Leondes. | Computer integrated manufacturing systems.;CAD/CAM systems.;Electronic books. lcs |
| Conceptual modeling for discrete-event simulation [electronic resource] / editors, Stewart Robinson ... [et al.]. | Computer simulation.;Simulation methods.;Electronic books. lcs |
| Configuration management [electronic resource] : implementation, principles, and applications for manufacturing industries / Joseph Sorrentino. | Project management.;Configuration management.;Electronic books. lcs |

| | |
|---|--|
| Contemporary ergonomics 2004 [electronic resource] / edited by Paul T. McCabe. | Human engineering -- Congresses.;Electronic books. lcs |
| Continuous flow manufacturing [electronic resource] : quality in design and processes / Pierre C. Guerindon. | Production management.;Production engineering.;Electronic books. lcs |
| Conveyors [electronic resource] : application, selection, and integration / Patrick M. McGuire. | Conveying machinery.;Electronic books. lcs |
| Creating a lean culture [electronic resource] : tools to sustain lean conversions / David Mann. | Organizational effectiveness.;Industrial efficiency.;Organizational change.;Corporate culture.;Electronic books. lcs |
| Decision options [electronic resource] : the art and science of making decisions / Gill Eapen. | Investments -- Decision making.;Investment analysis.;Finance -- Decision making.;Electronic books. lcs |
| Design and analysis of accelerated tests for mission critical reliability [electronic resource] / by Michael J. LuValle, Bruce G. Lefevre, SriRaman Kannan. | Accelerated life testing.;Reliability (Engineering);Electronic books. lcs |
| Design and the social sciences [electronic resource] : making connections / Jorge Frascara. | Design -- Social aspects -- Congresses.;Design -- Human factors -- Congresses.;Electronic books. lcs |
| Design for reliability [electronic resource] / edited by Dana Crowe & Alec Feinberg. | Electronic apparatus and appliances -- Design and construction -- Quality control.;Reliability (Engineering);Electronic books. lcs |
| Design reliability [electronic resource] : fundamentals and applications / B.S. Dhillon. | Engineering design.;Reliability (Engineering);Electronic books. lcs |
| Designing complex systems [electronic resource] : foundations of design in the functional domain / Erik W. Aslaksen. | Systems engineering.;Electronic books. lcs |

| | |
|--|---|
| Designing for situation awareness [electronic resource] : an approach to user-centered design / Mica R. Endsley, Betty BoltĂçe, and Debra G. Jones. | Human-machine systems -- Design.;Human engineering.;Work design.;Electronic books. lcsh |
| Developments in pressure-sensitive products [electronic resource] / edited by Istvan Benedek. | Pressure-sensitive adhesives.;Adhesives.;Electronic books. lcsh |
| Disassembly modeling for assembly, maintenance, reuse, and recycling [electronic resource] / A.J.D. (Fred) Lambert, Surendra M. Gupta. | Assembly-line methods.;Production planning.;Electronic books. lcsh |
| Dynamic programming [electronic resource] : foundations and principles / Moshe Sniedovich. | Dynamic programming.;Electronic books. lcsh |
| Effective transition from design to production [electronic resource] / David F. Ciambrone. | Engineering design.;Production engineering.;Electronic books. lcsh |
| Electric power distribution reliability [electronic resource] / Richard E. Brown. | Electric power distribution -- High tension -- Reliability.;Electronic books. lcsh |
| Elicitation of expert opinions for uncertainty and risks [electronic resource] / Bilal M. Ayyub. | Industrial engineering.;System analysis.;Decision making.;Electronic books. lcsh |
| Encyclopedia of materials, parts, and finishes [electronic resource] / Mel Schwartz. | Smart materials -- Encyclopedias.;Electronic books. lcsh |
| Engineering design reliability applications [electronic resource] : for the aerospace, automotive, and ship industries / edited by Efstratios Nikolaidis, Dan M. Ghiocel, Suren Singhal. | Engineering design.;Reliability (Engineering);Electronic books. lcsh |
| Engineering design reliability handbook [electronic resource] / edited by Efstratios Nikolaidis, Dan M. Ghiocel, Suren Singhal. | Engineering design -- Handbooks, manuals, etc.;Reliability (Engineering) -- Handbooks manuals etc.;Electronic books. lcsh |

| | |
|--|---|
| Engineering maintenance [electronic resource] : a modern approach / B.S. Dhillon. | Plant maintenance -- Management.;Electronic books. lcs |
| Engineering mega-systems [electronic resource] : the challenge of systems engineering in the information age / Renee Stevens. | Systems engineering.;Large scale systems.;Electronic books. lcs |
| Engineering of creativity [electronic resource] : introduction to TRIZ methodology of inventive problem solving / Semyon D. Savransky. | Engineering -- Methodology.;Problem solving -- Methodology.;Creative thinking.;Technological innovations.;Electronic books. lcs |
| Enhancing the performance of ad hoc wireless networks with smart antennas [electronic resource] / Somprakash Bandyopadhyay, Siuli Roy, Tetsuro Ueda. | Wireless communication systems.;Adaptive antennas.;Electronic books. lcs |
| Environmental impact statements [electronic resource] / Jacob I. Bregman. | Environmental impact statements -- United States.;Electronic books. lcs |
| Financial justification of nondestructive testing [electronic resource] : cost of quality in manufacturing / Emmanuel P. Papadakis. | Nondestructive testing -- Cost effectiveness.;Electronic books. lcs |
| Flat-rolled steel processes [electronic resource] : advanced technologies / editor, Vladimir B. Ginzburg. | Rolling (Metal-work);Electronic books. lcs |
| Flexibility [electronic resource] : flexible companies for the uncertain world / Gill Eapen. | Organizational change.;Organizational effectiveness.;Management.;Business cycles.;Electronic books. lcs |
| Fuzzy controller design [electronic resource] : theory and applications / Zdenko Kovačič, Stjepan Bogdan. | Automatic control.;Fuzzy systems.;Soft computing.;Electronic books. lcs |

| | |
|--|---|
| <p>Gear cutting tools [electronic resource] : fundamentals of design and computation / Stephen P. Radzevich.</p> | <p>Gear-cutting machines.;Gearing -- Design and construction.;Metal-cutting tools -- Design and construction -- Mathematical models.;Machinery Kinematics of -- Mathematical models.;Electronic books. Lcsh</p> |
| <p>Global engineering [electronic resource] : design, decision making, and communication / Carlos Acosta ... [et al.].</p> | <p>Engineering.;Engineering -- International cooperation.;Engineering -- Decision making.;International business enterprises -- Management.;Electronic books. lcsh</p> |
| <p>Guidelines for failure mode and effects analysis for automotive, aerospace and general manufacturing industries [electronic resource] / Dyadem Press.</p> | <p>Quality control.;Reliability (Engineering);Electronic books. lcsh</p> |
| <p>Guidelines for failure mode and effects analysis for medical devices [electronic resource] / Dyadem.</p> | <p>Medical instruments and apparatus -- Standards.;Medical instruments and apparatus -- Safety regulations.;Medical instruments and apparatus industry -- Quality control.;Medical instruments and apparatus -- Design and construction -- Quality control.;Quality control.;Reliability (Engineering);Electronic books. lcsh</p> |
| <p>Guidelines for process hazards analysis, hazards identification and risk analysis [electronic resource] / Nigel Hyatt.</p> | <p>Industrial safety.;Industrial hygiene.;Risk management.;Electronic books. lcsh</p> |
| <p>Handbook for critical cleaning [electronic resource] / editor-in-chief, Barbara Kanegsberg associate editor, Edward Kanegsberg.</p> | <p>Metal cleaning.;Cleaning compounds.;Manufacturing processes.;Surface preparation.;Surface chemistry.;Electronic books. lcsh</p> |
| <p>Handbook of advanced ceramics machining [electronic resource] / edited by Ioan D. Marinescu.</p> | <p>Ceramic materials -- Machining -- Handbooks, manuals, etc.;Electronic books. lcsh</p> |

| | |
|---|---|
| Handbook of heating, ventilation, and air conditioning [electronic resource] / edited by Jan F. Kreider. | Heating -- Handbooks, manuals, etc.;Ventilation -- Handbooks manuals etc.;Air conditioning -- Handbooks manuals etc.;Electronic books. Lcsh |
| Handbook of industrial and systems engineering [electronic resource] / [edited by] Adedeji B. Badiru. | Industrial engineering -- Handbooks, manuals, etc.;Systems engineering -- Handbooks manuals etc.;Electronic books. Lcsh |
| Handbook of industrial automation [electronic resource] / edited by Richard L. Shell, Ernest L. Hall. | Automation -- Handbooks, manuals, etc.;Process control -- Handbooks manuals etc.;Electronic books. Lcsh |
| Handbook of industrial drying [electronic resource] / edited by Arun S. Mujumdar. | Drying.;Drying apparatus.;Electronic books. Lcsh |
| Handbook of industrial engineering equations, formulas, and calculations [electronic resource] / authors, Adedeji B. Badiru, Olufemi A. Omitaomu. | Industrial engineering -- Mathematics -- Handbooks, manuals, etc.;Engineering mathematics -- Handbooks manuals etc.;Electronic books. Lcsh |
| Handbook of lapping and polishing [electronic resource] / edited by Ioan D. Marinescu, Eckart Uhlmann, Toshiro K. Doi. | Grinding and polishing -- Handbooks, manuals, etc.;Electronic books. Lcsh |
| Handbook of machine tool analysis [electronic resource] / Ioan D. Marinescu, Constantin Ispas, Dan Boboc. | Machine-tools -- Handbooks, manuals, etc.;Electronic books. Lcsh |
| Handbook of machining with grinding wheels [electronic resource] / Ioan D. Marinescu ... [et al.]. | Grinding wheels -- Handbooks, manuals, etc.;Grinding and polishing -- Handbooks manuals etc.;Machine-tools -- Handbooks manuals etc.;Electronic books. Lcsh |
| Handbook of metallurgical process design [electronic resource] / edited by George E. Totten, Kiyoshi Funatani, Lin Xie. | Metal-work.;Electronic books. Lcsh |
| Handbook of scheduling [electronic resource] : algorithms, models, and performance analysis / edited | Scheduling -- Mathematical models.;Decision making.;Electronic books. Lcsh |

| | |
|--|---|
| by Jospheh Y-T. Leung. | |
| Handbook of thermal process modeling of steels [electronic resource] / edited by Cemil Hakan GÃ¼r, Jiansheng Pan. | Steel -- Heat treatment -- Mathematical models -- Handbooks, manuals, etc.;Steel -- Metallurgy -- Mathematics -- Handbooks manuals etc.;Electronic books. Icsh |
| High performance instrumentation and automation [electronic resource] / Patrick H. Garrett. | Engineering instruments.;Electronic books. Icsh |
| Human factors in lighting [electronic resource] / Peter R. Boyce. | Light -- Physiological effect.;Lighting -- Physiological aspects.;Visual perception.;Electronic books. Icsh |
| Human reliability, error, and human factors in engineering maintenance [electronic resource] : with reference to aviation and power generation / B.S. Dhillon. | Human engineering.;Human-machine systems.;Errors -- Prevention.;Reliability (Engineering);Fallibility.;Airplanes -- Maintenance and repair -- Quality control.;Electric power-plants -- Maintenance and repair -- Quality control.;Electronic books. Icsh |
| Implementing concurrent engineering in small companies [electronic resource] / Susan Carlson Skalak. | Concurrent engineering.;Electronic books. Icsh |
| Incident investigation & accident prevention in the process & allied industries [electronic resource] / by Nigel Hyatt. | Industrial safety.;Industrial hygiene.;Risk management.;Electronic books. Icsh |
| Industrial boilers and heat recovery steam generators [electronic resource] : design, applications, and calculations / V. Ganapathy. | Steam-boilers.;Boilers.;Steam power plants.;Electronic books. Icsh |
| Industrial brazing practice [electronic resource] / Philip M. Roberts. | Brazing.;Electronic books. Icsh |
| Industrial noise control and acoustics [electronic | Noise control.;Industrial noise.;Electronic books. Icsh |

| | |
|--|--|
| resource] / Randall F. Barron. | |
| Industrial process sensors [electronic resource] / David M. Scott. | Engineering instruments.;Detectors.;Electronic books. lcsb |
| Innovations in materials manufacturing, fabrication, and environmental safety [electronic resource] / Mel Schwartz. | Manufacturing processes -- Technological innovations.;Electronic books. lcsb |
| #VALUE! | Rapid prototyping -- Congresses.;Rapid tooling -- Congresses.;Manufacturing processes -- Congresses.;Electronic books. lcsb |
| Integer programming [electronic resource] : theory and practice / edited by John K. Karlof. | Integer programming.;Electronic books. lcsb |
| Integrated product and process design and development [electronic resource] : the product realization process / Edward B. Magrab ... [et al.]. | New products.;Production engineering.;Industrial design.;Quality control.;Electronic books. lcsb |
| Integrated product design and manufacturing using geometric dimensioning and tolerancing [electronic resource] / Robert G. Campbell, Edward S. Roth. | Engineering drawings -- Dimensioning.;Tolerance (Engineering);Electronic books. lcsb |
| Integration technologies for industrial automated systems [electronic resource] / edited by Richard Zurawski. | Computer integrated manufacturing systems.;Manufacturing processes -- Automation.;Information technology.;Automation.;Electronic books. lcsb |

| | |
|---|---|
| <p>Intelligent energy field manufacturing [electronic resource] : interdisciplinary process innovations / edited by Wenwu Zhang.</p> | <p>Micromachining.;Electromagnetic fields -- Industrial applications.;Ultrasonic waves -- Industrial applications.;Lasers -- Industrial applications.;Water jets -- Industrial applications.;Technological innovations.;Intelligent control systems.;Electronic books. lcsh</p> |
| <p>Intelligent transportation systems [electronic resource] : new principles and architectures / Sumit Ghosh, Tony Lee.</p> | <p>Transportation -- Automation.;Transportation -- Data processing.;Electronics in transportation.;Intelligent Vehicle Highway Systems.;Traffic engineering.;Electronic books. lcsh</p> |
| <p>International encyclopedia of ergonomics and human factors [electronic resource] / edited by Waldemar Karwowski.</p> | <p>Human engineering -- Encyclopedias.;Electronic books. lcsh</p> |
| <p>Introduction to logistics engineering [electronic resource] / edited by G. Don Taylor.</p> | <p>Systems engineering.;Logistics.;Electronic books. lcsh</p> |
| <p>Inventory management [electronic resource] : non-classical views / edited by Mohamad Y. Jaber.</p> | <p>Inventory control.;Electronic books. lcsh</p> |
| <p>ISO 9001:2000 document development compliance manual [electronic resource] : a complete guide and CD-ROM / Syed Imtiaz Haider.</p> | <p>ISO 9001 Standard -- Handbooks, manuals, etc.;Electronic books. lcsh</p> |
| <p>ISO 9001:2000 for small business [electronic resource] : implementing process- approach quality management / Arpad Gaal.</p> | <p>Quality control -- Standards.;Manufactures -- Quality control -- Evaluation.;ISO 9000 Series Standards.;Electronic books. lcsh</p> |
| <p>Joint cognitive systems [electronic resource] : foundations of cognitive systems engineering / Erik Hollnagel, David D. Woods.</p> | <p>Human-machine systems.;Electronic books. lcsh</p> |
| <p>Joint cognitive systems [electronic resource] :</p> | <p>Human-machine systems.;Electronic books. lcsh</p> |

| | |
|--|---|
| patterns in cognitive systems engineering / David D. Woods, Erik Hollnagel. | |
| Kaizen assembly [electronic resource] : designing, constructing, and managing a lean assembly line / Chris A. Ortiz. | Production management.;Manufacturing processes.;Electronic books. lcsh |
| Knowledge discovery from sensor data [electronic resource] / edited by Auroop R. Ganguly ... [et al.]. | Data mining.;Multisensor data fusion.;Sensor networks.;Electronic books. lcsh |
| Lean manufacturing [electronic resource] : business bottom-line based / John X. Wang. | Lean manufacturing.;Cost control.;Electronic books. lcsh |
| Lean Six sigma in service [electronic resource] : applications and case studies / Sandra L. Furterer. | Process control.;Six sigma (Quality control standard);Quality control -- Statistical methods.;Electronic books. lcsh |
| Life cycle costing for engineers [electronic resource] / author, editor, B.S. Dhillon. | Life cycle costing.;Engineering economy.;Product life cycle.;Electronic books. lcsh |
| Linear synchronous motors [electronic resource] : transportation and automation systems / Jacek F. Gieras and Zbigniew J. Piech. | Electric motors, Linear.;Electric motors Synchronous.;Permanent magnet motors.;Magnetic levitation vehicles.;Automation.;Electronic books. Lcsh |
| Liquid lean [electronic resource] : developing lean culture in the process industries / Raymond C. Floyd. | Manufacturing industries -- Management.;Chemical industry -- Management.;Production management - - Quality control.;Manufacturing processes -- Quality control.;Industrial efficiency.;Electronic books. lcsh |
| Logistics engineering handbook [electronic resource] / edited by G. Don Taylor. | Systems engineering -- Handbooks, manuals, etc.;Logistics -- Handbooks manuals etc.;Electronic books. Lcsh |
| Logistics of facility location and allocation [electronic resource] / Dileep R. Sule. | Industrial location -- Mathematical models.;Electronic books. lcsh |

| | |
|--|--|
| Machining technology [electronic resource] : machine tools and operations / Helmi A. Youssef, Hassan El-Hofy. | Machining.;Machine-tools.;Electronic books. lcsb |
| Maintainability, maintenance, and reliability for engineers [electronic resource] / B.S. Dhillon. | Systems engineering -- Management.;Electronic books. lcsb |
| Manufacturing [electronic resource] : design, production, automation and integration / Beno Benhabib. | Production engineering.;Computer integrated manufacturing systems.;Engineering design.;Manufacturing processes.;Automation.;Electronic books. lcsb |
| Manufacturing handbook of best practices [electronic resource] : an innovation, productivity, and quality focus / edited by Jack B. ReVelle. | Technological innovations -- Management.;Product management.;Quality control.;Electronic books. lcsb |
| Manufacturing systems processes [electronic resource] / editor, Cornelius Leondes. | CAD/CAM systems.;Manufacturing industries -- Management.;Electronic books. lcsb |
| Materials processing handbook [electronic resource] / edited by Joanna R. Groza ... [et al.]. | Manufacturing processes -- Handbooks, manuals, etc.;Materials science -- Handbooks manuals etc.;Electronic books. lcsb |
| Mathematical models for systems reliability [electronic resource] / Benjamin Epstein and Ishay Weissman. | Reliability (Engineering) -- Mathematics.;System failures (Engineering) -- Mathematical models.;Electronic books. lcsb |
| Measurement and control in food processing [electronic resource] / Manabendra Bhuyan. | Food industry and trade.;Electronic books. lcsb |
| Mechanical life cycle handbook [electronic resource] : good environmental design and manufacturing / edited by Mahendra S. Hundal. | Design, Industrial -- Environmental aspects.;Environmental engineering.;Product life cycle -- Environmental aspects.;Electronic books. lcsb |

| | |
|--|---|
| Mechanical reliability improvement [electronic resource] : probability and statistics for experimental testing / R.E. Little, assisted by D.M. Kosikowski. | Reliability (Engineering);Machine design.;Testing.;Electronic books. lcs |
| Medical device reliability and associated areas [electronic resource] / B.S. Dhillon. | Medical instruments and apparatus -- Standards.;Biomedical engineering.;Reliability (Engineering);Electronic books. lcs |
| Metallurgical design of flat rolled steels [electronic resource] / Vladimir B. Ginzburg. | Steel -- Metallurgy.;Rolling (Metal-work);Electronic books. lcs |
| Metalworking fluids [electronic resource] / edited by Jerry P. Byers. | Metal-working lubricants.;Electronic books. lcs |
| Modeling and benchmarking supply chain leadership [electronic resource] : setting the conditions for excellence / Joseph L. Walden. | Business logistics -- Management.;Benchmarking (Management);Leadership.;Electronic books. lcs |
| Model-oriented systems engineering science [electronic resource] : a unifying framework for traditional and complex systems / author, Duane W. Hybertson. | Systems engineering -- Simulation methods.;System analysis -- Technique.;Engineering models.;Electronic books. lcs |
| Moving from project management to project leadership [electronic resource] : a practical guide to leading groups / R. Camper Bull. | Project management.;Leadership.;Executive ability.;Electronic books. lcs |
| Networking and integration of facilities automation systems [electronic resource] / Viktor Boed with contributions from Ira Goldschmidt ... [et al.]. | Commercial buildings -- Automation.;Intelligent buildings.;Digital control systems.;Electronic books. lcs |
| Nondestructive evaluation [electronic resource] : theory, techniques, and applications / edited by Peter J. Shull. | Nondestructive testing.;Electronic books. lcs |
| Operations research and management science | Operations research -- Handbooks, manuals, etc.;Electronic books. lcs |

| | |
|---|---|
| Operations research applications [electronic resource] / edited by A. Ravi Ravindran. | Operations research.;Electronic books. lcsh |
| Operations research calculations handbook [electronic resource] / Dennis Blumenfeld. | Operations research -- Handbooks, manuals, etc.;Mathematical analysis -- Handbooks manuals etc.;Electronic books. lcsh |
| Operations research calculations handbook [electronic resource] / Dennis Blumenfeld. | Operations research -- Handbooks, manuals, etc.;Mathematical analysis -- Handbooks manuals etc.;Electronic books. lcsh |
| Operations research methodologies [electronic resource] / edited by A. Ravi Ravindran. | Operations research.;Electronic books. lcsh |
| Optimal design for queueing systems [electronic resource] / Shaler Stidham Jr. | Queueing theory.;Combinatorial optimization.;Electronic books. lcsh |
| Optimization in medicine and biology [electronic resource] / edited by Gino J. Lim and Eva K. Lee. | Medicine -- Mathematical models.;Biology -- Mathematical models.;Mathematical optimization.;Electronic books. lcsh |
| Optimization methods for manufacturing [electronic resource] / editor, Cornelius Leondes. | CAD/CAM systems.;Manufacturing processes.;Mathematical optimization.;Production planning.;Electronic books. lcsh |
| Optimization modelling [electronic resource] : a practical approach / Ruhul A. Sarker, Charles S. Newton. | Mathematical models.;Mathematical optimization.;Electronic books. lcsh |
| Patient safety [electronic resource] : the PROACT root cause analysis approach / Robert J. Latino. | Medical errors -- Prevention.;Medical care -- Quality control.;Health facilities -- Quality control.;Electronic books. lcsh |
| Performance improvement [electronic resource] : making it happen / Darryl D. Enos. | Organizational effectiveness.;Performance.;Teams in the workplace.;Electronic books. lcsh |
| Performance improvement--making it happen [electronic resource] / Darryl D. Enos. | Organizational effectiveness.;Performance.;Teams in the workplace.;Electronic books. lcsh |

| | |
|---|---|
| Physical metallurgy of direct chill casting of aluminum alloys [electronic resource] / Dmitry G. Eskin. | Aluminum alloys -- Metallurgy.;Aluminum founding.;Electronic books. lcs |
| Plastic conversion processes [electronic resource] : a concise and applied guide / Eric Cybulski. | Plastics.;Electronic books. lcs |
| Power electronic modules [electronic resource] : design and manufacture / William W. Sheng, Ronald P. Colino. | Power semiconductors -- Design and construction.;Electronic books. lcs |
| Power quality [electronic resource] / C. Sankaran. | Electric power system stability.;Electric power systems -- Quality control.;Electronic books. lcs |
| Practical engineering failure analysis [electronic resource] / Hani M. Tawancy, Anwar Ul-Hamid, Nureddin M. Abbas. | System failures (Engineering);Fracture mechanics.;Reliability (Engineering);Electronic books. lcs |
| Practical guide to injection blow molding [electronic resource] / Samuel L. Belcher. | Injection blow molding.;Electronic books. lcs |
| Practical lubrication for industrial facilities [electronic resource] / compiled and edited by Heinz P. Bloch. | Lubrication and lubricants -- Handbooks, manuals, etc.;Electronic books. lcs |
| Practical plant failure analysis [electronic resource] : a guide to understanding machinery deterioration and improving equipment reliability / Neville W. Sachs. | Machinery -- Reliability.;System failures (Engineering);Electronic books. lcs |
| Practical reliability engineering and analysis for system design and life-cycle sustainment [electronic resource] / William Wessels. | Reliability (Engineering);Product life cycle.;Electronic books. lcs |
| Practical stress analysis in engineering design [electronic resource] / Ronald Huston, Harold Josephs. | Strains and stresses.;Engineering design.;Electronic books. lcs |
| Probability applications in mechanical design [electronic resource] / Franklin E. Fisher, Joy R. Fisher. | Machine design -- Statistical methods.;Probabilities.;Electronic books. lcs |

| | |
|--|---|
| Process engineering and design using Visual BASIC [electronic resource] / Arun Datta. | Microsoft Visual BASIC.;Chemical processes -- Mathematical models.;Chemical processes -- Computer simulation.;Electronic books. lcs |
| Process imaging for automatic control [electronic resource] / [edited by] David M. Scott, Hugh McCann. | Tomography -- Industrial applications.;Image processing -- Industrial applications.;Electronic books. lcs |
| Process modeling in composites manufacturing [electronic resource] / Suresh G. Advani, E. Murat Sozer. | Composite materials.;Manufacturing processes.;Electronic books. lcs |
| Process oriented analysis [electronic resource] : design and optimization of industrial production systems / Urs B. Meyer, Simone E. Creux, Andrea K. Weber Marin. | Production engineering.;Manufacturing processes.;Process control.;Electronic books. lcs |
| Process plants [electronic resource] : a handbook for inherently safer design. | Chemical plants -- Safety measures.;Electronic books. lcs |
| Product design and factory development [electronic resource] / edited by Richard Crowson. | Production engineering.;Electronic books. lcs |
| Product reliability, maintainability, and supportability handbook [electronic resource] / edited by Michael Pecht. | Electronic apparatus and appliances -- Reliability -- Handbooks, manuals, etc.;Electronic apparatus and appliances -- Maintainability -- Handbooks manuals etc.;Electronic books. lcs |
| Project execution [electronic resource] : a practical approach to industrial and commercial project management / Chitram Lutchman. | Project management.;Electronic books. lcs |
| Project management of complex and embedded systems [electronic resource] : ensuring product integrity and program quality / authors, Kim H. Pries, Jon M. Quigley. | Project management.;Quality control.;Electronic books. lcs |

| | |
|--|--|
| Quality management [electronic resource] : theory and application / Peter D. Mauch. | Total quality management.;Quality control.;Electronic books. lcsh |
| Quality management system implementation [electronic resource] : a handbook for product development companies / Vivek (Vic) Nanda. | Quality control -- Automation.;Manufacturing resource planning.;Production planning -- Data processing.;Electronic books. lcsh |
| Rapid prototyping and engineering applications [electronic resource] : a toolbox for prototype development / Frank W. Liou. | Engineering -- Data processing.;Electronic books. lcshRapid prototyping.;Prototypes |
| Rapid prototyping technology [electronic resource] : selection and application / Kenneth G. Cooper. | CAD/CAM systems.;Solid freeform fabrication.;Prototypes Engineering.;Electronic books. lcsh |
| Rapid tooling [electronic resource] : technologies and industrial applications / edited by Peter D. Hilton, Paul F. Jacobs. | Rapid tooling.;Design Industrial -- Data processing.;CAD/CAM systems.;Near net shape (Metalwork);Electronic books. lcsh |
| Real analysis [electronic resource] : an introduction to the theory of real functions and integration / Jewgeni H. Dshalalow. | Mathematical analysis.;Electronic books. lcsh |
| Real options in engineering design, operations, and management [electronic resource] / edited by Harriet Black Nembhard, Mehmet Aktan. | Engineering design -- Management.;Operations research.;Real options (Finance);Electronic books. lcsh |
| Real process improvement using the CMMI [electronic resource] / Michael West. | Production management.;Quality control.;Capability maturity model (Computer software);Electronic books. lcsh |
| Re-engineering the chemical processing plant [electronic resource] : process intensification / edited by Andrzej Stankiewicz, Jacob A. | Chemical plants.;Chemical engineering.;Electronic books. lcsh |

| | |
|--|---|
| <p>Re-engineering the manufacturing system [electronic resource] : applying the theory of constraints / Robert E. Stein.</p> | <p>Production management.;Reengineering (Management);Computer integrated manufacturing systems.;Theory of constraints (Management);Electronic books. lcs</p> |
| <p>Reliability analysis and prediction with warranty data [electronic resource] : issues, strategies, and methods / Bharatendra K. Rai, Nanua Singh.</p> | <p>Warranty.;Automobiles -- Reliability.;Reliability (Engineering);Electronic books. lcs</p> |
| <p>Reliability technology, human error, and quality in health care [electronic resource] / B.S. Dhillon.</p> | <p>Medical care -- Quality control.;Reliability (Engineering);Medical errors.;Medical instruments and apparatus -- Safety measures.;Electronic books. lcs</p> |
| <p>Reliability verification, testing and analysis in engineering design [electronic resource] / Gary S. Wasserman.</p> | <p>Reliability (Engineering);Engineering design.;Electronic books. lcs</p> |
| <p>Reliability verification, testing and analysis in engineering design</p> | <p>Reliability (Engineering);Engineering design.;Industrial safety.;Electronic books. lcs</p> |
| <p>#VALUE!</p> | <p>Reliability (Engineering) -- Congresses.;System safety -- Congresses.;Risk assessment -- Congresses.;Electronic books. lcs</p> |
| <p>RFID in logistics [electronic resource] : a practical introduction / Erick C. Jones, Christopher A. Chung.</p> | <p>Radio frequency identification systems.;Business logistics -- Data processing.;Electronic books. lcs</p> |
| <p>Roll forming handbook [electronic resource] / edited by George T. Halmos.</p> | <p>Roll forming (Metalwork) -- Handbooks, manuals, etc.;Electronic books. lcs</p> |
| <p>Root cause analysis [electronic resource] : improving performance for bottom-line results / Robert J. Latino, Kenneth C. Latino.</p> | <p>Quality control -- Data processing.;Industrial accidents -- Investigation.;Critical incident technique.;Electronic books. lcs</p> |

| | |
|--|---|
| <p>Root cause analysis [electronic resource] : improving performance for bottom-line results / Robert J. Latino. Kenneth C. Latino.</p> | <p>Quality control -- Data processing.;Industrial accidents -- Investigation.;Critical incident technique.;Electronic books. lcs</p> |
| <p>Run-to-run control in semiconductor manufacturing [electronic resource] / edited by James Moyne, Enrique del Castillo, Arnon Max Hurwitz.</p> | <p>Semiconductors -- Design and construction.;Semiconductor industry -- Production control.;Electronic packaging.;Production management.;Electronic books. lcs</p> |
| <p>Safety analysis [electronic resource] : principles and practice in occupational safety / Lars Harms-Ringdahl.</p> | <p>Industrial safety.;Risk management.;Electronic books. lcs</p> |
| <p>Safety, health, and environmental auditing [electronic resource] : a practical guide / Simon Watson Pain.</p> | <p>Environmental auditing.;Industrial hygiene -- Auditing.;Industrial safety -- Auditing.;Electronic books. lcs</p> |
| <p>Scientific wet process technology for innovative LSI/FPD manufacturing [electronic resource] / edited by Tadahiro Ohmi.</p> | <p>Semiconductors -- Design and construction.;Semiconductors -- Cleaning.;Integrated circuits -- Design and construction.;Electronic books. lcs</p> |
| <p>Semiconductor industry [electronic resource] : wafer fab exhaust management / J. Michael Sherer.</p> | <p>Semiconductor wafers -- Design and construction.;Semiconductor industry -- Environmental aspects.;Volatile organic compounds -- Environmental aspects.;Air -- Purification -- Technological innovations.;Electronic books. lcs</p> |
| <p>Simulation modeling handbook [electronic resource] : a practical approach / Christopher A. Chung.</p> | <p>Digital computer simulation.;Electronic books. lcs</p> |
| <p>Six sigma and beyond. Vol. 1, Foundations of excellent performance [electronic resource] / D.H. Stamatis.</p> | <p>Quality control -- Statistical methods.;Production management -- Statistical methods.;Industrial management.;Electronic books. lcs</p> |

| | |
|---|---|
| Six sigma and beyond. Vol. 2, Problem solving and basic mathematics [electronic resource] / D.H. Stamatis. | Quality control -- Statistical methods.;Production management -- Statistical methods.;Industrial management.;Problem solving.;Electronic books. lcsH |
| Six sigma and beyond. Vol. 3, Statistics and probability [electronic resource] / D.H. Stamatis. | Quality control -- Statistical methods.;Production management -- Statistical methods.;Industrial management.;Electronic books. lcsH |
| Six sigma and beyond. Vol. 5, Design of experiments [electronic resource] / D.H. Stamatis. | Quality control -- Statistical methods.;Production management -- Statistical methods.;Industrial management.;Six sigma (Quality control standard);Electronic books. lcsH |
| Six sigma and beyond. Vol. 6, Design for six sigma [electronic resource] / D.H. Stamatis. | Quality control -- Statistical methods.;Production management -- Statistical methods.;Industrial management.;Six sigma (Quality control standard);New products.;Industrial design.;Electronic books. lcsH |
| Six sigma and beyond. Vol. 7, The implementation process [electronic resource] / D.H. Stamatis. | Quality control -- Statistical methods.;Production management -- Statistical methods.;Industrial management.;Six sigma (Quality control standard);Electronic books. lcsH |
| Smart clothing [electronic resource] : technology and applications / editor, Gilsoo Cho. | Wearable computers.;Smart materials.;Clothing and dress -- Technological innovations.;Ubiquitous computing.;Electronic books. lcsH |
| Social responsibility [electronic resource] : failure mode effects and analysis / Holly Alison Duckworth, Rosemond Ann Moore. | Social responsibility of business.;Electronic books. lcsH |
| Sound and vibrations of positive displacement compressors [electronic resource] / Werner Soedel. | Compressors.;Electronic books. lcsH |

| | |
|--|---|
| Standardized work for noncyclical processes [electronic resource] / Joseph Niederstadt. | Assembly-line methods.;Automobile industry and trade.;Electronic books. lcs |
| Standards for engineering design and manufacturing [electronic resource] / Ahmed Wasim Khan, Abdul Raouf. | Production management -- Standards.;Electronic books. lcs |
| Statistical process control [electronic resource] : the Deming paradigm and beyond / James R. Thompson, Jacek Koronacki. | Process control -- Statistical methods.;Production management -- Quality control.;Electronic books. lcs |
| Statistical quality control [electronic resource] / M. Jeya Chandra. | Quality control -- Statistical methods.;Sampling (Statistics);Electronic books. lcs |
| Stochastic processes in science, engineering, and finance [electronic resource] / Frank Beichelt. | Stochastic processes.;Electronic books. lcs |
| Strategic planning models for reverse and closed-loop supply chains [electronic resource] / Kishore K. Pochampally, Satish Nukala, Surendra M. Gupta. | Manufacturing processes -- Environmental aspects.;Business logistics -- Environmental aspects.;Remanufacturing.;Waste minimization.;Salvage (Waste etc.);Recycling (Waste etc.);Electronic books. lcs |
| Stream of variation modeling and analysis for multistage manufacturing processes [electronic resource] / Jianjun Shi. | Manufacturing processes -- Statistical methods.;Electronic books. lcs |
| Supply chain management at warp speed [electronic resource] : integrating the system from end to end / Eli Schragenheim, H. William Dettmer, J. Wayne Patterson. | Production management.;Business logistics.;Electronic books. lcs |
| System management [electronic resource] : planning, enterprise identity, and deployment / Jeffrey O. | Systems engineering -- Management.;Electronic books. lcs |
| System synthesis [electronic resource] : product and process design / Jeffrey O. Grady. | Systems engineering.;Industrial design.;Concurrent engineering.;Electronic books. lcs |

| | |
|---|---|
| The design of manufacturing systems [electronic resource] / editor, Cornelius Leondes. | CAD/CAM systems.;Engineering design -- Data processing.;Electronic books. lcs |
| The handbook of manufacturing engineering. Assembly processes : finishing, packaging, and automation [electronic resource] / edited by Richard Crowson. | Assembly-line methods.;Production planning.;Electronic books. lcs |
| The handbook of manufacturing engineering. Factory operations : planning and instructional methods [electronic resource] / edited by Richard Crowson. | Manufacturing processes.;Production management.;Electronic books. lcs |
| The handbook of manufacturing engineering. Parts fabrication [electronic resource] : principles and process / edited by Richard Crowson. | Machine parts -- Maintenance and repair.;Machine parts -- Design and construction.;Electronic books. lcs |
| The induction machines design handbook [electronic resource] / Ion Boldea, Syed A. Nasar. | Electric machinery, Induction -- Handbooks, manuals, etc.;Electronic books. lcs |
| The industrial information technology handbook [electronic resource] / edited by Richard Zurawski. | Information technology -- Handbooks, manuals, etc.;Automation -- Handbooks manuals etc.;Electronic books. lcs |
| The manufacturer's guide to implementing the theory of constraints [electronic resource] / Mark J. Woepfel. | Production management.;Theory of constraints (Management);Reengineering (Management);Quality control.;Electronic books. lcs |
| The road to manufacturing success [electronic resource] : common sense throughput solutions for small business / Richard T. Lilly with Frank O. | Manufacturing industries -- Management.;Small business -- Management.;Success in business.;Electronic books. lcs |
| The semantic turn [electronic resource] : a new foundation for design / Klaus Krippendorff. | Design -- Philosophy.;Design Industrial -- Social aspects.;Electronic books. lcs |

| | |
|---|---|
| <p>The supply chain in manufacturing, distribution, and transportation [electronic resource] : modeling, optimization, and applications / edited by Kenneth D. Lawrence, Ronald K. Klimberg and Virginia Miori.</p> | <p>Inventory control.;Business logistics.;Production scheduling.;Physical distribution of goods.;Electronic books. lcs</p> |
| <p>The Weibull distribution [electronic resource] : a handbook / Horst Rinne.</p> | <p>Weibull distribution -- Handbooks, manuals, etc.;Electronic books. lcs</p> |
| <p>Thinking for a change [electronic resource] : putting the TOC thinking processes to use / Lisa J. Scheinkopf.</p> | <p>Theory of constraints (Management);Electronic books. lcs</p> |
| <p>Transactional Six Sigma and Lean Servicing [electronic resource] : leveraging manufacturing concepts to achieve world class service / Betsi Harris Ehrlich.</p> | <p>Service industries -- Management.;Total quality management.;Six Sigma (Quality control standard);Electronic books. lcs</p> |
| <p>Uncertainty modeling and analysis in engineering and the sciences [electronic resource] / Bilal M. Ayyub, George J. Klir.</p> | <p>Engineering mathematics.;Uncertainty -- Mathematical models.;Reliability (Engineering);Electronic books. lcs</p> |
| <p>Universal and accessible design for products, services, and processes [electronic resource] / Robert F. Erlandson.</p> | <p>Barrier-free design.;Electronic books. lcs</p> |
| <p>Value engineering [electronic resource] : analysis and methodology / Del L. Younker.</p> | <p>Value analysis (Cost control);Engineering economy.;Costs Industrial.;Electronic books. lcs</p> |
| <p>What every engineer should know about decision making under uncertainty [electronic resource] / John X. Wang.</p> | <p>Engineering -- Management.;Engineering -- Decision making.;Electronic books. lcs</p> |
| <p>What works for GE may not work for you [electronic resource] : using human systems dynamics to build a culture of process improvement / Lawrence</p> | <p>Organizational effectiveness.;Organizational change.;Process control.;Quality control.;Electronic books. lcs</p> |
