

Viewing Streaming Videos in Blackboard Learn

Follow the steps below to view streaming course reserves videos. Keep in mind that all streaming files are protected. The links will not work unless you click them from within the course reserves area of BlackBoard Learn, and cannot be saved.

1. Log in to Blackboard Learn

Navigate to Blackboard Learn in your web browser (learn.dcollege.net) and log in using your Drexel One user name and password.

The screenshot shows the Drexel Learn login interface. At the top, there is a dark blue header with the Drexel LEARN logo on the left and utility links for 'Change Text Size' and 'High Contrast Setting' on the right. Below the header is a navigation menu with links for Admissions, Academics, Research, Co-op, Student Life, Athletics, and About Drexel. The main content area is divided into two sections. On the left, under 'Learn Resources', there are three blue buttons: 'Student Resources', 'Faculty Resources', and 'Bb On Demand Learning Center'. On the right, there are two input fields: 'USERNAME:' with the text 'lac344' and 'PASSWORD:' with a masked password of ten dots. Below the password field is a link for 'Forgot Your Password?' and a blue 'Login' button. At the bottom, there is a 'Welcome to Learn' section with a paragraph of text explaining the Learn 9 system and providing links for 'Drexel Bb Vista' and 'Drexel Blackboard Classic'.

Viewing Streaming Videos in Blackboard Learn

2. Select Course

From the list of courses that appears after you log in (in the **My Courses** module), select the course for which you'd like to view streaming videos.

In this example, we will be viewing items available in **Library 101**.

The screenshot displays the Blackboard Learn user interface. At the top, the Drexel LEARN logo is visible, along with navigation links for Home, Courses, Community, Content Collection, and Tech Support. Below this, there are tabs for the Institution Dashboard and Notifications Dashboard. The main content area is divided into several modules. On the left, there is an 'Add Module' button and a section for 'Important Announcements' containing 'Discussion Posts' and 'Collaborate' information. The central 'My Courses' module lists courses where the user is an instructor. Two courses are listed: 'ARES Demo 2' and 'Library 101 - Master (Learn)'. An orange arrow points to the 'Library 101 - Master (Learn)' link. Below the 'My Courses' module is a 'My Tasks' section showing a task for 'Library 101 - Master (Learn)'. On the right side, there are partially visible sections for 'My Announcements' and 'My Organization'.

Viewing Streaming Videos in Blackboard Learn

3. Open Course Reserves Tool

Navigate to the Course Reserves tool in Blackboard Learn via the left-hand menu by clicking **Course Reserves (A)** and then **Course Reserves with the blue logo (B)**.

Viewing Streaming Videos in Blackboard Learn

4. Select the Streaming Video

You should now be looking at the Library Reserves page for the course. Items with a **Website icon** () represent streaming videos. **Click on the title** to select a video.
